CAN YOU FIND THE PAIRS?

Bomba wants to find the Jinn, and here we can help him by finding pairs of them. First, cut out the leaves above, mix them up and place them all face down. With another player, take turns choosing two leaves to find a matching pair. If you don't find a pair, return the leaves face down. If you do find a pair, keep it, and the player with the most matching pairs at the end, wins! The trick is to remember where the pairs are.
